

Flower Sale Prize Details

Students can earn fantastic prizes during our Flower Sale! Here's how it works:

- Prizes have been sorted into two groups for the two sessions of the sale.
- For periods 3/4-3/11 and 3/12-3/21 we will identify the Top Sellers. *During the first session, we'll have 5 Top Sellers. During the second session, we'll identify 10 Top Sellers.*
- At the end of each session (dates listed above), the Top Sellers from the previous week will select a prize from the corresponding weekly prize garden during Morning Announcements.
- The Assistant Principal Prize will be part of the Prize Garden for session one and The Principal Prize will be part of the Prize Garden for session two.
- Online sales will be credited to the student on the day in which the orders were successfully submitted, between the hours of 12:00 am – 11:59 pm EST.
- Prizes are awarded to sellers through a daily random drawing. There are many opportunities to win prizes!
- Students who have completed any three activities off their Flower Sale Bingo card may receive a reward from the classroom prize bucket. Activities do not need to be completed in a row. At the end of each session, participants will be included in a random prize drawing.

HELPFUL HINTS

- Make sure all customers include the STUDENT'S FULL NAME with their order at checkout online, so you get credit! **Orders submitted without a student name will not count towards your prize total!**
- Sorry, we cannot "split" online orders between multiple students. To ensure credit for multiple students, customers must submit a separate online order for each student.
