

Flower Sale Prize Details

Students can earn fantastic prizes during our Flower Sale! Here's how it works:

- * The sale period runs from 3/1/24 - 3/18/24.
- * Online sales will be credited to the student on the day in which the orders were successfully submitted, between the hours of 12:00 am - 11:59 pm EST.
- * ALL students are eligible for a classroom prize by completing any THREE activities on our Flower Sale BINGO card! Activities do not need to be completed in a row. BINGO participants will also be included in our daily random drawings.
- * We will announce two winners during our daily random drawings. Random drawing winners may select from an array of gift card options.
- * At the end of the sale period (3/1-3/18), we will announce the Top TEN overall sellers from the sale. These students will be awarded a prize of their choosing from our Student Prize Garden (see attached).
- * Highly sought after prizes include 10 lbs. of gummy bears and the Principal/Assistant Principal for a Day prize. Many more fun prizes available!
- * Top THREE selling classrooms will receive a special prize listed below!
- * Make sure all customers include the STUDENT'S FULL NAME with their order at checkout, so you get credit! **Orders submitted without a student name will not count towards your prize total!**
- * Sorry, we cannot "split" orders between multiple students. To ensure credit for multiple students, customers must submit a separate order for each student.

CLASS PRIZES
